Hey Mr. Tambourine Man, play a song for me
 In the jingle jangle morning
 I'll come following you

[Verse 2]

Take me on a trip upon your magic swirling ship
 My senses have been stripped
 My hands can't feel to grip
 My toes too numb to step, wait only for my boot heels
 To be wandering
 I'm ready to go anywhere, I'm ready for to fade
 Into my own parade, cast your dancing spell my way
 I promise to go under it

[Chorus]

Hey Mr. Tambourine Man, play a song for me
 I'm not sleepy and there is no place I'm going to
 Hey Mr. Tambourine Man, play a song for me
 In the jingle jangle morning
 I'll come following you

[Verse 3]

Though you might hear laughing, spinning
 Swinging madly across the sun
 It's not aimed at anyone, it's just escaping on the run
 And but for the sky there are no fences facing
 And if you hear vague traces of skipping reels of rhyme
 To your tambourine in time
 It's just a ragged clown behind
 I wouldn't pay it any mind, it's just a shadow you're
 Seeing that he's chasing

[Chorus]

Hey Mr. Tambourine Man, play a song for me
 I'm not sleepy and there is no place I'm going to
 Hey Mr. Tambourine Man, play a song for me
 In the jingle jangle morning I'll come following you
