Tuning: E A D G B E · Capo: No capo

[Intro]
G D G C Em

[Verse]
Em
Well, you've got your diamonds
And you've got your pretty clothes
And the chauffeur drives your car
You let everybody know

[Chorus]
G D G C Em
But don't play with me, 'cause you're playin' with fire

[Verse]
Em
Your mother, she's an heiress
Owns a block in Saint John's Wood
And your father'd be there with her
If he only could

G D G C Em
But don't play with me, 'cause you're playin' with fire

G D G C Em

Em
Your old man took her diamonds
And tiaras by the score
Now she gets her kicks in Stepney
Not in Knightsbridge anymore

G D G C Em
So don't play with me, 'cause you're playin' with fire

Em
Now you got some diamonds
And you will add some others
But you better watch your step, girl
Or start living with you mother

G D G C Em
So don't play with me, 'cause you're playin' with fire
G D G C Em
So don't play with me, 'cause you're playin' with fire

(I like this old Rolling Stones song, I hope I got all the words correct, maybe some English chaps understand some of the lingo better than I do, but it's still a good rather simple song to learn. Try Em variations while strumming to add a little variety to the verses. This song can be heard on "Big Hits" High Tide and Green Grass, Rolling Stones album and earlier works by the Rolling Stones.)

High just a couple of typos - 2nd verse its St Johns Wood (posh bit of London) 3rd verse - she gets her kicks in "Stepney" (its the east end of London) and its Knightsbridge another posh bit of London. Great tab - Great song for a 60s flip side of The Last Time single -

In the chorus, your missed the second G. Like in the intro, no big deal. Thank you.
